

Transform your cash flow

With Legl and Quill together, you can offer your clients an easy, convenient way to pay – anytime and anywhere. Accelerate cash flow with integrated online payments, tailor-made for law firms.

Get paid faster through bespoke payment links

Track, receive and reconcile payments in a few clicks

Better understand your firm's cash flow with payment insights

Give your clients a better, modern experience

Faster payments, better client experiences

- ✓ **Seamless integration** - Start reducing payment delays and provide a better client experience by sharing bespoke, branded payment links directly to your clients.
- ✓ **Faster payments** - Make it even easier for clients to pay with pre-populated client payment request links for emails and invoices, as well as offering a firm-branded payment portal, even outside of office hours.
- ✓ **Tailored to your firm** - Collect payment into your client or business account through firm-branded payment links, easily reconciled against the matter reference.
- ✓ **Secure and compliant** - Reduce the risk of fraud and error through Legl's encrypted, SCA-enabled and PCI-compliant payment platform.

Get started with Legl and Quill today for faster reconciliation.

Seamlessly request and collect payments with Legl, beautifully integrated with your Quill software to help streamline your firm.
